Re: ***Rouzier v. Gilles, et al.***, No. 1:25-cv-02226-NCN-CLP
Atlantic Record Corporation's Request for a Further Extension

Dear Judge Pollack:

Plaintiffs agree to an extension for Defendant Atlantic Records to file a responsive pleading until and including September 8, 2025. Atlantic Records has already consented to the filing of the First Amended Complaint which merely adds a recently issued copyright registration for the Je Vais Music Video which Atlantic Record has conceded is not pertinent to the music copyright infringement count against it. Pursuant to F.R.C.P. 15(a)(3), the time to respond to an amended pleading is 14 days of after service of the amended pleading. The First Amended Complaint has been filed, and this Court has set August 22, 2025 as the deadline for all objections. We are unaware of any need to extend the deadline until September 30. Accordingly, responses would be due under F.R.C.P. on September 5, and we are agreeable to extend the deadline until September 8, 2025.

As an aside, I do not believe it is appropriate for counsel for Atlantic Records to discuss the status of our settlement negotiations which are confidential, and I am not going to address such subject.

Thank you for your consideration.

Respectfully Submitted,
